Hmm?

But...

Exactly,

What else can he do but bow his head?

He should take care to be more strict.

You're not

Now, please
lie down there.

CREAK

Ah.

Can you
remove your
socks by
yourself?

Yeah.

If that's settled then...?

Well...

CHIPPER

You should hurry on back, boss. Everyone is waiting for you...

I'll go and get them myself, later.

SHARPLY

?

No, it wasn't that I was trying to hide the scar...

Ah...

The scar on your leg... You don't really want other people seeing it, right?

Huh?

Sorry about before. I didn't realize.

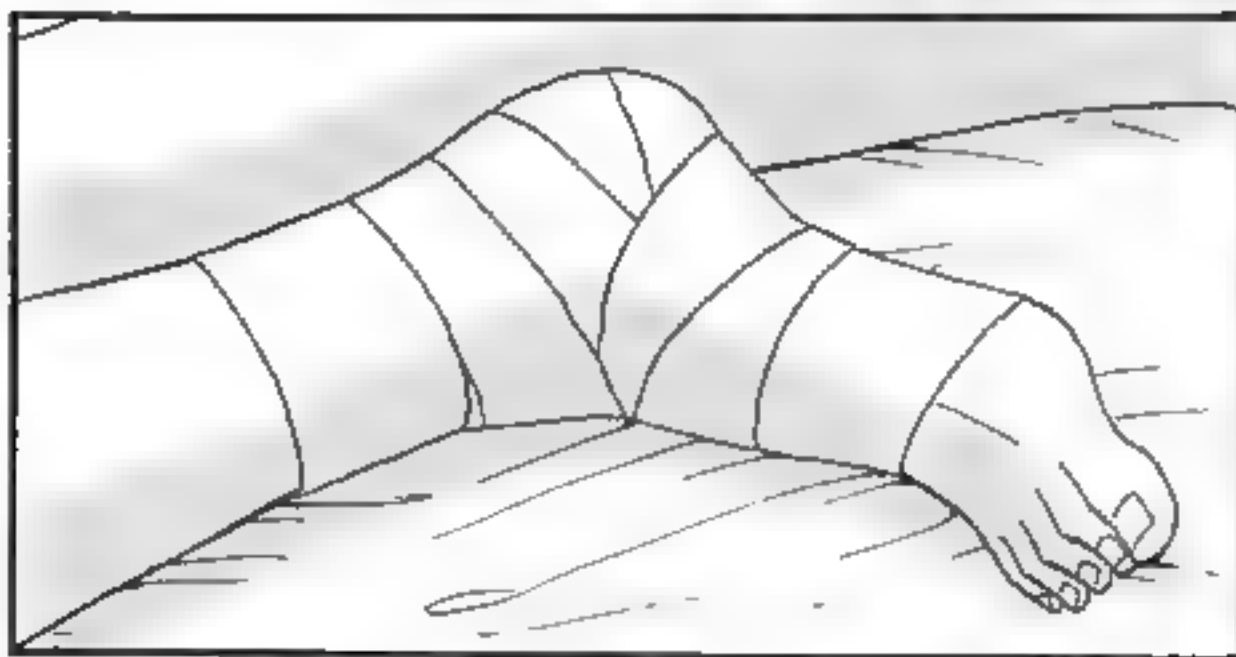

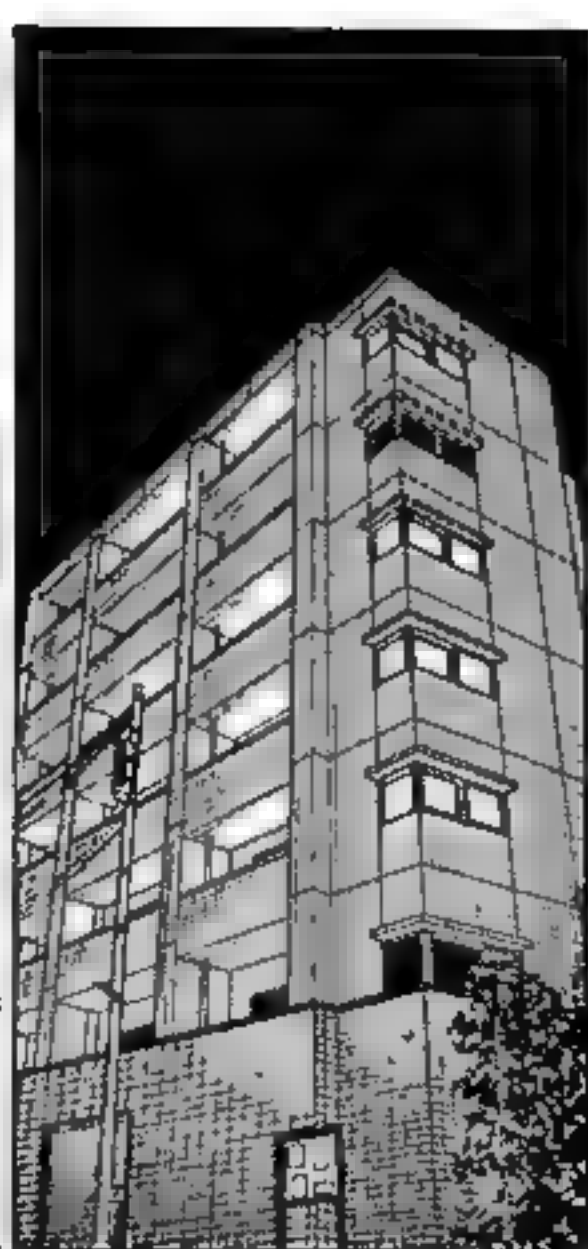

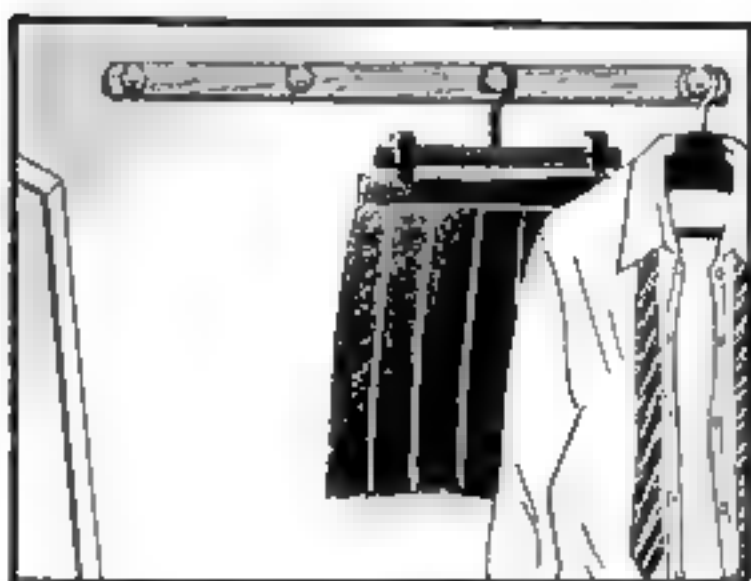

It's just a slight inflammation

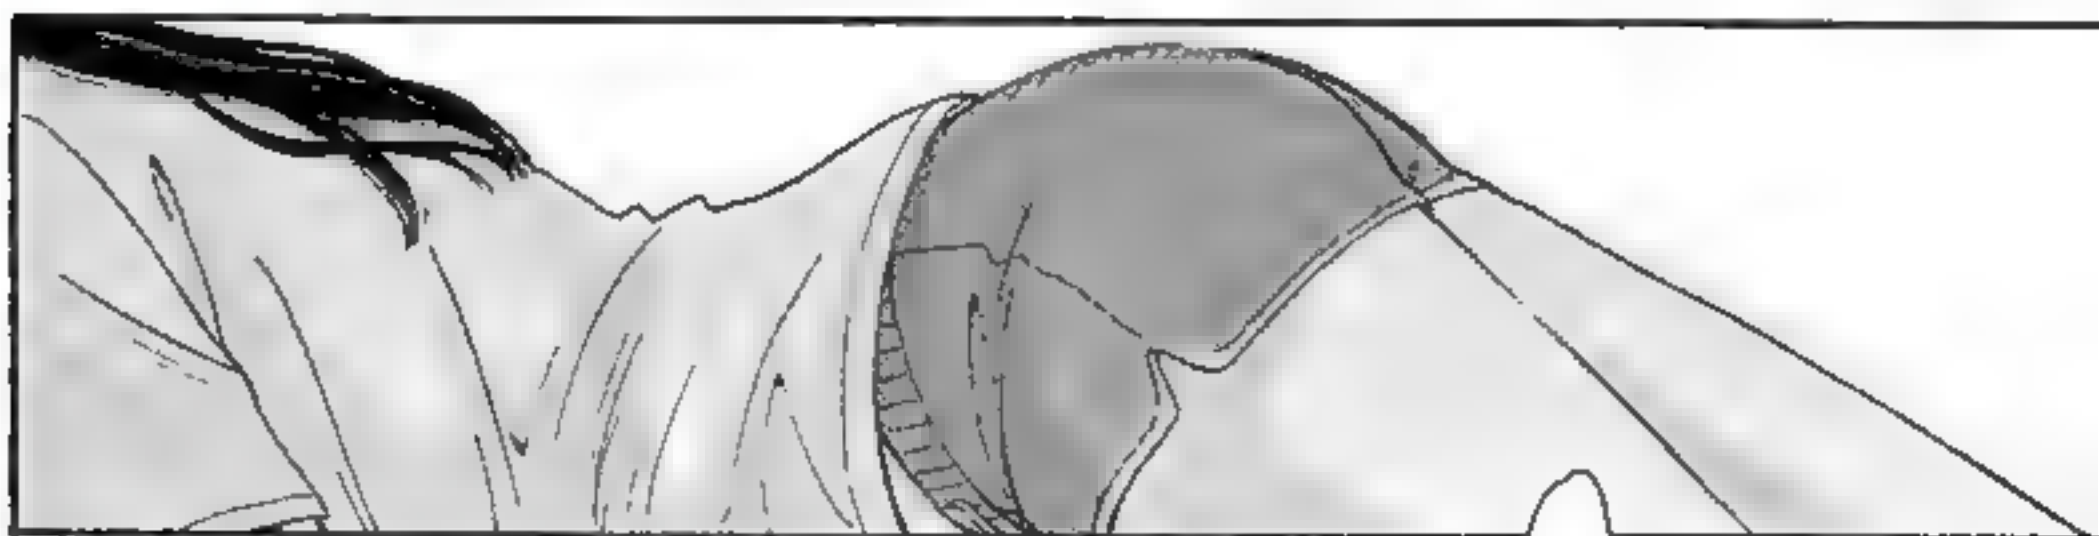

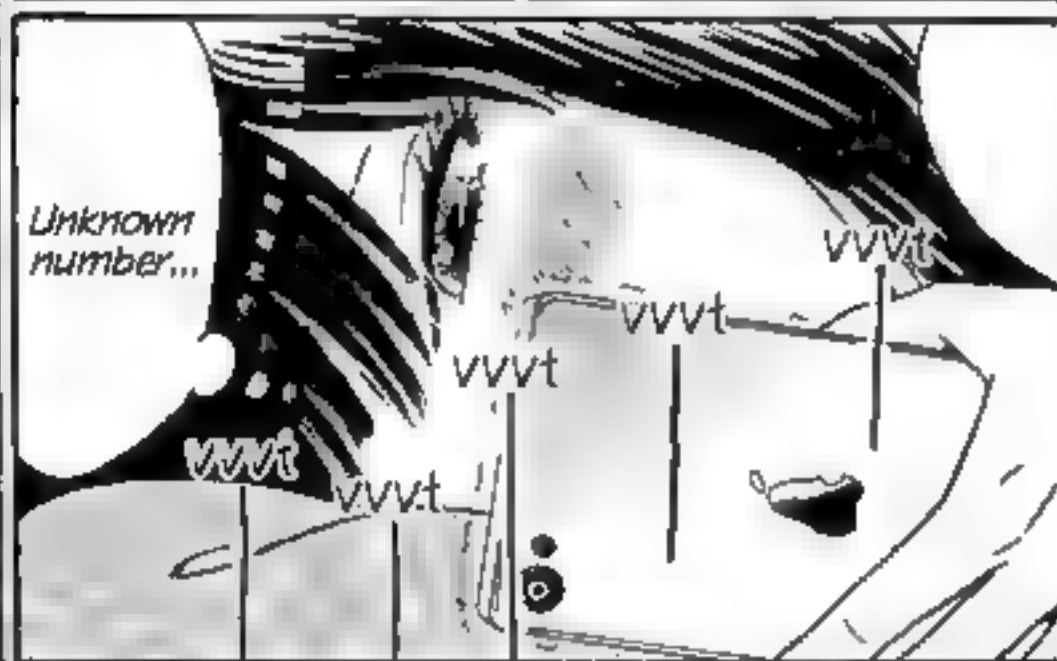

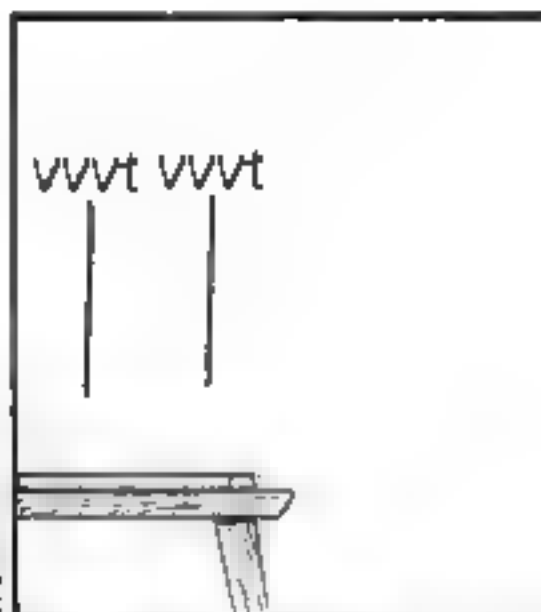

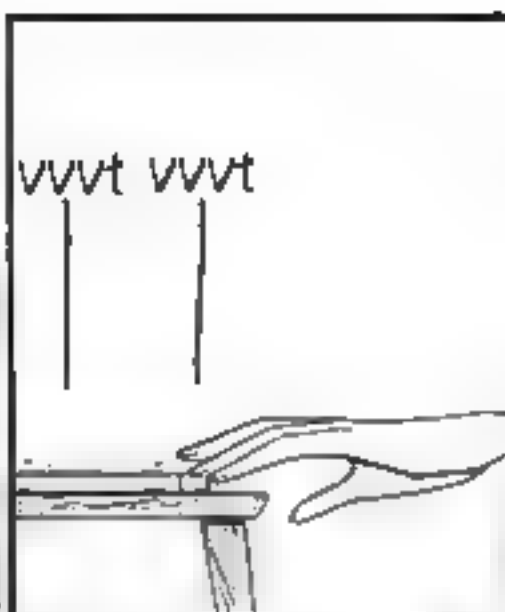

13

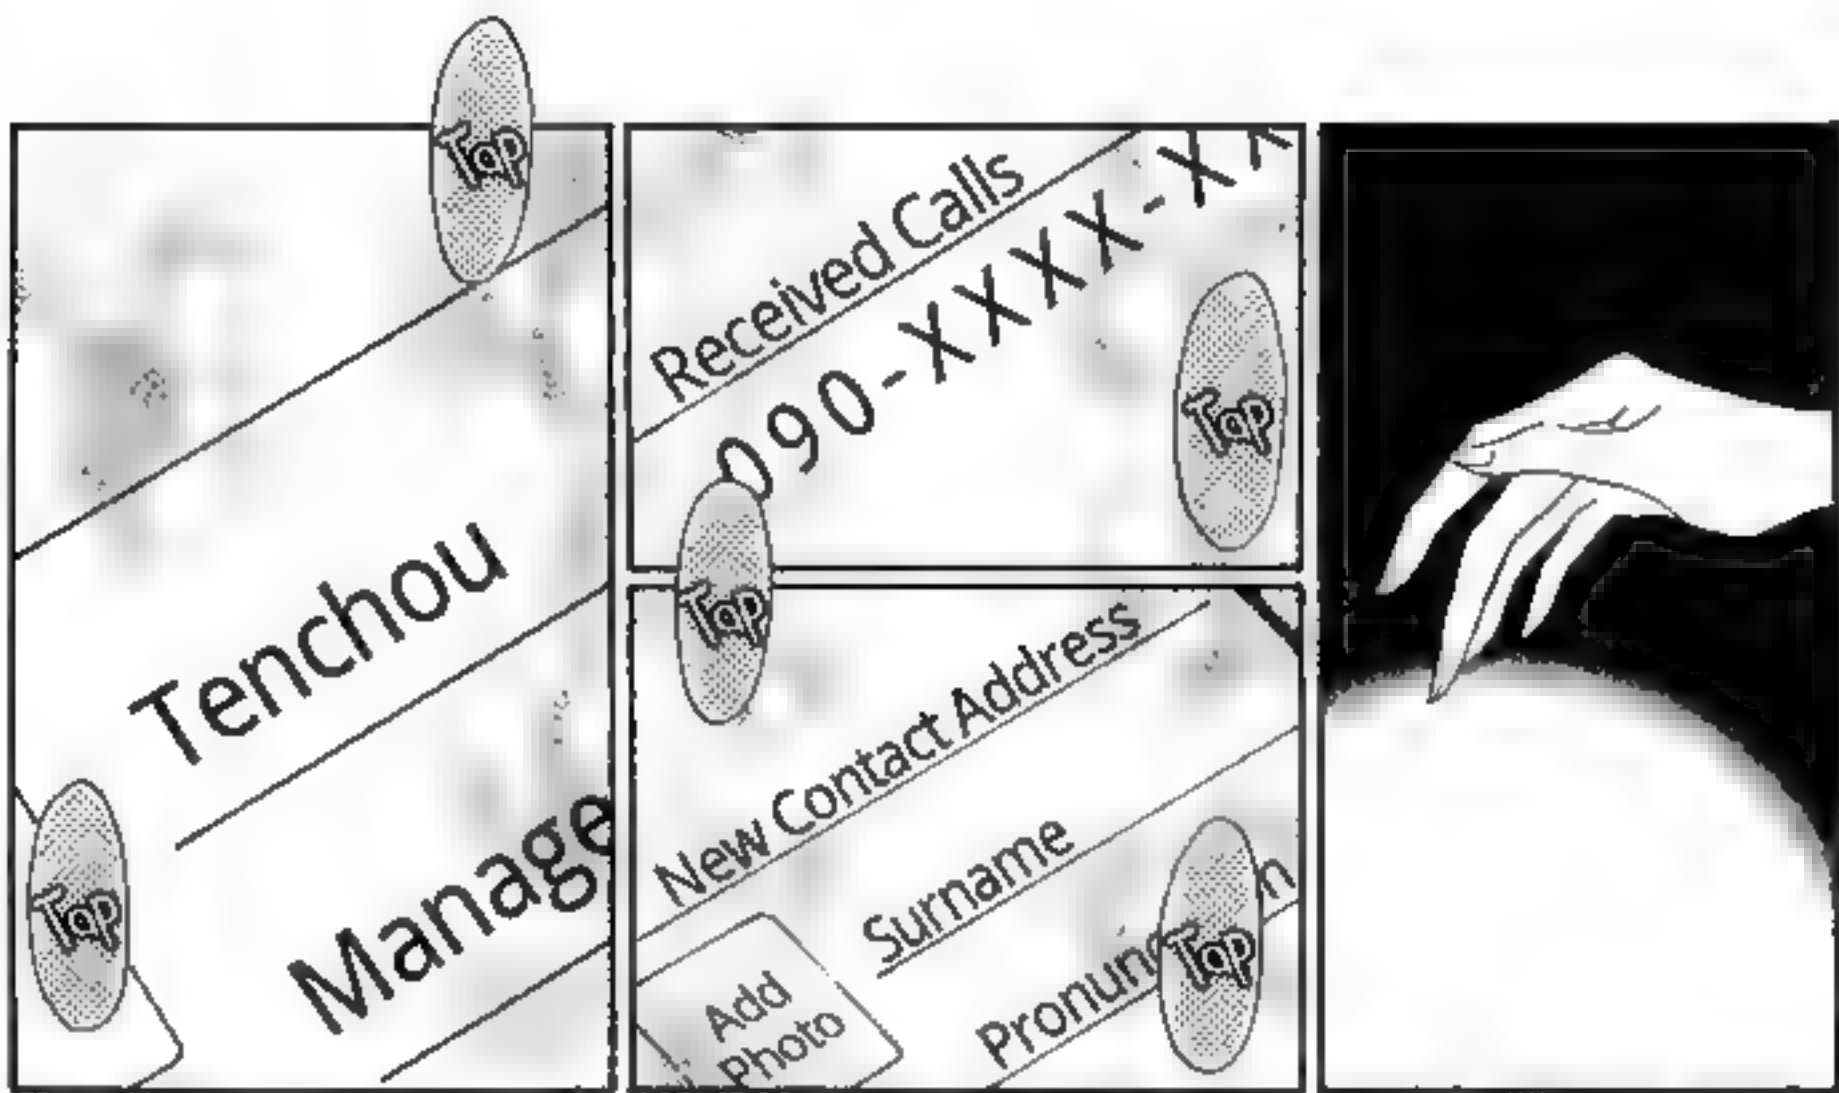

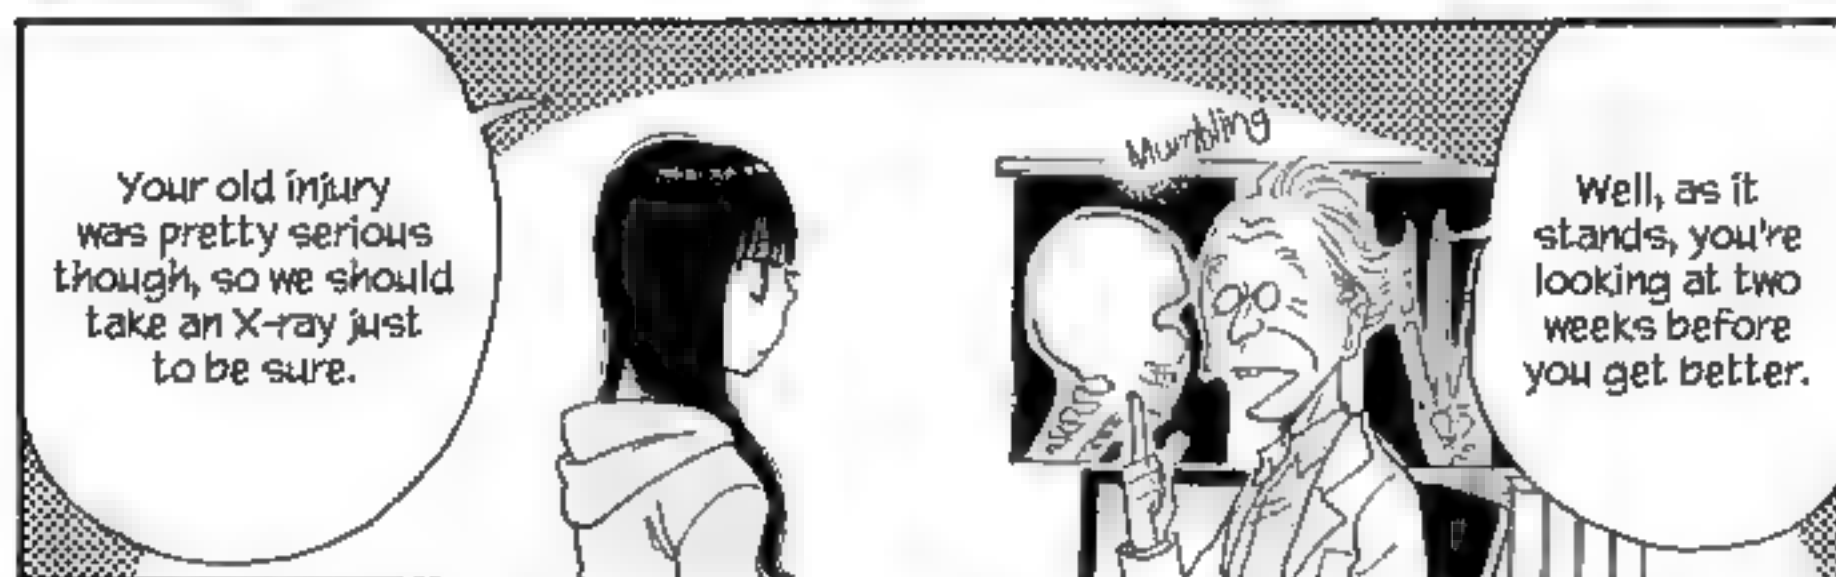

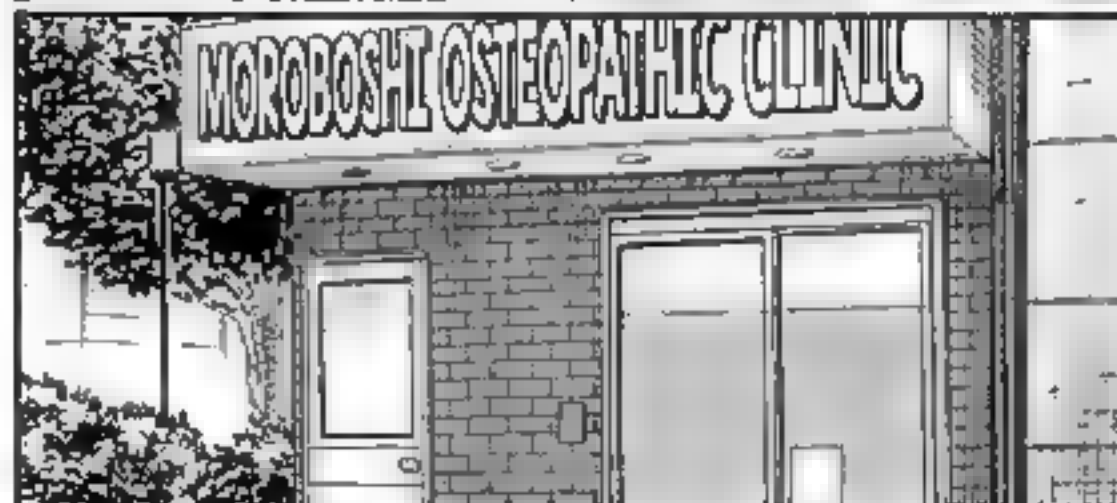

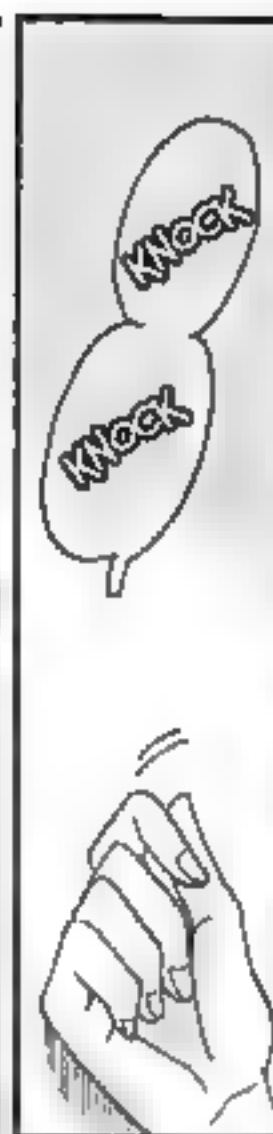

15

Did you do it
yourself?

What a
cute color!

Tee hee hee

But you know, I really should apologize to your mother...

No, no, we're fine for staff. I just borrowed some guys from another branch.

And now I'm causing trouble for everyone because of the shifts and such...

I mean, I'm the one who just ran off without asking...

You really really don't have too! Really!!

I mean it wasn't his fault, so...

Guess she really can't stand the thought of me doing it...

Oh... Y-you sure?

10

It was just a light injury.

I'm good.

I mean you're out and about, so

Oh yeah, so how's your leg? You okay to be walking around?

Really...?

Like maybe the nails turned red from blood blisters, or something?

Waiting For Rain to Stop-san

A few days ago, I told the person I like "I like you" and all he said back was "thanks".

Do you think he really understood how I feel?
